

THE OTEAM'S FAVORITE DOWNTOWN RESTAURANTS

Eric Shao

Monte Carlo Pizza and Wings

The foods are awesome while the prices are friendly to college students.

Fi Montany

India Pavilion

They have a lunch buffet that is inexpensive.

Lee Rosenberger

Big Bowl Noodle House

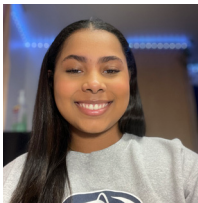

The food is amazing, the portions are huge, and it's very cheap.

Gwen Kalimon

Tadashi Japanese Restaurant

I love ramen, and it is the BEST ramen I've had in State College. The South Atherton location has also won awards for their sushi.

Leslianne Terrero-German

Snap Custom Pizza

There are many different options for people to choose from, you make your own pizza with whatever you want (endless options), and the ambiance is top tier.

Trevor McLeigh

Tokyo Sushi and Hibachi

This was the first place I ever went to dinner downtown and will always be my favorite! Super personable staff and awesome sushi/hibachi right next to campus.

Cheyenne Bastian-Brown

Roots Natural Kitchen

Roots is a great place to eat for lunch or dinner! It has a wide variety of choices and allows for some customer creativity when creating your own bowl. In addition, it is a healthy and quick option that is decently priced.

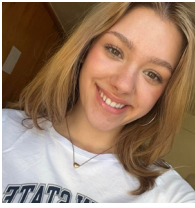

Advait Iyer

Panera Bread

Fresh and tasty food.

Alena Kolesar

BRGR

Many options to eat there, such as a Build Your Own Burger and other burgers, wings, salads, regular and sweet potato fries, their classic milkshakes, and more.

Donnie Veglia

Tokyo Sushi and Hibachi

My friend group has a tradition of dining there before and after every break.

Jackson Frederick

Snap Custom Pizza

Snap Custom Pizza is right downtown, close to campus, and offers a variety of custom pizzas. My favorite is the buffalo chicken pizza or the mac and cheese pizza.

Charlee Doyle

Mr. Wish, Hibachi Express

It's two restaurants in one. Hibachi Express has good sushi and Mr. Wish has really good boba and desserts.

Walker Langston Goeckel

Roots Natural Kitchen

I'm vegetarian, and Roots makes great vegetarian bowls. They're always a good option for a pick-me-up or just for a good meal with friends.

Becki Leonard

Chew Chew Bun

Delicious Taiwanese-style pastries with coffee and tea. It is so good!

Ashley Griffith

Pita Cabana

It has a great vibe and amazing Lebanese food (plus they cater!).

Frank Thant

Chopstick Express

It has pretty traditional Chinese food, which also reminds me of the food back home.

Hailey Pierce

Bagel Crust

They have the bestttt bagels, there are specials you can order or you can create your own.

Michelle Malinich

Cozy Thai Bistro

I like the atmosphere and the food is amazing! It is cozy in a bowl.

Katie Motycki

Great wood-fired pizza and pasta!

Daisy Rodriguez

An Asian-fusion restaurant known for its amazing food blends and amazing flavors!

Marena Sanoja

Mezeh Mediterranean Grill

Their salads are great. They give you good portions and they have really good dressings!

Tara Winchester

This place has an exciting atmosphere with a great unique menu. The apps are great—you have to try the Butcher Block charcuterie board. Amazing!
